AAAD Seeks Funds for Hall of Fame Fight

The American Athletic Association of the Deaf has announced fundraising efforts aimed at helping to underwrite the Association's drive to have William "Dummy" Hoy elected to the National Baseball Hall of Fame.

Michael Ralph, AAAD spokesman stated frankly - "We need your help. Our efforts cost money ... any donation of $5, $10, $15, $25 or more would be appreciated ... the AAAD has limited funds; we are reaching out to those individuals who love the game of baseball and the Deaf Community. William "Dummy" Hoy is a true American hero."

Donations should be sent payable to:

AAAD-William "Dummy" Hoy Fund
214 Salainac Street, D-7
Philadelphia, Pennsylvania 19128

All donations will be acknowledged in writing.

Fenicle Tapped for Acting Dean

Congratulations to ISD's new Acting Dean of Boys - Jonas Fenicle! Fenicle joined ISD's staff as an RA two years ago. The following year he moved up to Head RA. He began the current school year as a substitute teacher in the Preschool Department but has now accepted the Acting Dean's position.

Jonas is a graduate of Gallaudet University and the Pennsylvania School for the Deaf.

The whole campus wishes him the best of luck as he faces his newest challenge.

BIBI Thought for the Week:

"There are more multilinguals than monolinguals in the world but power lies mostly in the hands of the monolinguals. Multilingual people become so mostly because they live in a country where their primary language is not accepted, and so they become obliged to learn a second language."

Dr. Harlan Lane

The ISD Campus Bulletin is published weekly throughout the school year.

Submissions should be sent to:

Visitor & Information Center, Alumni Hall Room # 133
Deadline - Mondays
Editor - Gary McWhirter

FYI

Work has begun to bring Alumni Hall's parking area into full compliance with ADA regulations. The lot will have four clearly marked handicapped parking spaces with appropriate signs; two for vans with chair-lifts, two for cars.

The parking area will also offer two short-term (10 minute) spaces for visitors with brief business to conduct in Alumni Hall. The current longer term visitor's parking area will remain available.

Re: ISD ID's

Staff members who need school identification cards please contact ISD Campus Police at Ext. 127 or 184, TTY/Voice to schedule an appointment to have an ID made. This process takes approximately five minutes.

Public Phone to be Relocated

The public phone with TTY located adjacent to the Health Center will be relocated to the 1st Floor Lobby in Koob Hall in two weeks. The move is necessary to meet the volume of calls made by ISD's students.

The possibility of additional public phones with TTY's for ISD's campus is being studied.

Thanks Ball State Participants!

ISD's Ball State participants have given over 450 hours of volunteer time to the school in the two months they have been here, not including the four hours they help in the classrooms every morning as a part of their studies. The enthusiasm that they have displayed has been wonderful. The whole ISD family thanks them!

Library Seeks Back Issues

ISD's Main Library is in need of the March, May, and July, 1973 issues of ***National Geographic.*** Donation of these issues would be most appreciated.

A copy of ***When the Mind Hears*** is missing from the library. Please return it to the library!

Health Facts From the Files of Cherie Coffey, Supervising Nurse

Chickenpox Update

Chickenpox is an acute viral illness of sudden onset. Symptoms include fever, cough, fatigue, and skin lesions that become blister-like for three or four days and leave a granular scab. The lesions develop mostly over the trunk (rather than the arms or legs) but can also occur in the mouth, scalp, and upper respiratory tract. Chickenpox is highly contagious and is passed by person-to-person contact. A person is contagious for 48 hours before the rash appears, and for up to six days after the onset of rash or until all lesions have formed scabs or crusts. To control the spread of chickenpox, exclude children from school for one week after the lesions first appear or until they become dry. Aspirin should be avoided because it seems to increase the risk of Reye's Syndrome. Acetaminophen based medicines such as Tylenol should be given if needed to reduce fever or relieve discomfort.

Student Council Joins Clothing Drive

ISD's High School Student Council is participating in the Indianapolis Children's Bureau Clothing Drive. Donations of used clothing, especially children's clothing, are urgently needed. Collections will continue through November 23rd. Donations can be brought to Alumni Hall Room 107. For further information see a Student Council member or contact Council Sponsor Judy Reynolds.

History Class Visits "India"

Eight High School students are slated to visit the "Star of India" restaurant in Broad Ripple Village on Friday, November 13th, 11:40 am - 1:10 pm. World History teacher Leithia Whited explained that the outing will be an opportunity to study an ethnic environment and enjoy a food-tasting experience. Students will write class reports on their experiences.

Retirement Info Presented

Life USA will visit ISD to explain their retirement program and tax shelter (Earning 14.48% currently) on Wednesday, November 11th, from 10:00 - 12:30 in the Visitor and Information Center, Alumni Hall Room 122. Janet Stailey, Assistant Superintendent for Business and Operations, encourages interested staff members to stop by for information. Interpreting services will be available.

911 Problems

Deaf persons in the Indianapolis area have recently experienced difficulties when attempting to request emergency assistance via Indianapolis' "Enhanced 911". In some cases callers were hung-up on by operators unaware that a Deaf person was calling.

Susan Strong, 911 delivery manager, explained that the information that a phone line has a TTY user on it can be added to the 911 computer screen in either of two ways - callers may contact Indiana Bell at (800) 382-1666 (TTY only) and have the information added to their billing file, or they may choose to add the information to their directory listing. Strong explained that in the past, few have wanted to add the information to their phone book listing, feeling that it might be an invitation to burglars.

Linn Piper, Director of Indianapolis Metropolitan Emergency Management Agency, expressed the fear that some Deaf callers might be missed by Bell's moves. He announced that MECA will work to retrain their 911 operators and will recommend purchase of automated equipment to indicate that a caller is using a TTY.

Students to Attend 3-Day Conference

30 ISD High School students are scheduled to participate in a unique employment training conference to be held November 13th - 15th at the Embassy Suites Hotel in downtown Indianapolis. The conference will offer training in aspects of employment including *job search, application process, interviewing, resume-writing,* and *career goals.*

Several Deaf professionals will address the group on a variety of subjects including *time-management, communication on-the-job,* and *matching skills with career goals.*

The conference, sponsored by ISD's Student Employment Center, will end Saturday night with a formal banquet and silent auction. On Sunday morning participants will tour the hotel for exposure to occupational opportunities, then return to ISD at 1:30 pm.

IRT Offers Interpreters

The Indiana Repertory Theater, 140 West Washington Street, Indianapolis, has announced plans to offer an interpreted performance on the final Sunday Matinee of each of its main-stage productions this season.

Productions and dates are:

Scholarship Available

Indiana State University has announced that a scholarship "...funded by the Fannie B. Blumberg Endowment will be awarded to one outstanding student to pursue a major or minor in special education or communication disorders."

The scholarship awards $1,000 per year for a maximum of four years. Recipients must maintain a 3.5 grade point average.

To be eligible a student must:

1. Have a) SAT–Total scores of 1,000 or better and/or
   b) Class ranking in the upper 10%
2. "Have professional interest in exceptional children with the intent to major in Special Education or Communication Disorders through the Department of Communication Disorders/Special Education at Indiana State University."
3. "Actively participate in Blumberg Center activities ... in the department of Communication Disorders/ Special Education or the Department of Educational and School Psychology."

Applications must be postmarked by January 31st, 1993. If interested, contact Dr. William Littlejohn at the Blumberg Center, School of Education, Room 502, Terre Haute, Indiana 47809 to request that a packet be forwarded.

Staff Development News

If any staff member attends a workshop or inservice, please fill out an evaluation form available from Mary Alice Moon, Coordinator of Staff Development. It is her responsibility to keep a record of all of the professional development activities ISD's staff participant in. Many staff members have done things on their own and Moon has no way to know those kinds of activities unless an evaluation form is completed. This will also assist in developing a list of potential speakers to address the entire staff.

Visualization in the Interpreting Process — This workshop, led by Linda Stauffer, will be held Friday, November 20th, 6:00-9:00 pm and Saturday, November 21st, 9:00 am - 4:30 pm at Concordia University in River Forest, IL. Registration is $45 per person. Space is limited to 40 people. See the Staff Development bulletin board outside room 223 in Alumni Hall for more details.

Aerobics classes will begin Tuesday, November 10th in the Preschool Gym, 4 - 5 pm. To reserve a place in the class, contact Staff Development Coordinator Mary Alice Moon. Registration for six weeks is $15 per person. (A coupon good for $2 off registration appeared in last week's CB!)

ASL Teacher Needed

Kathy Blume of Anderson, Indiana would like to learn ASL. She has a Deaf son who attends Bakersfield College in California. Mrs. Blume recently toured ISD and was quite impressed with our philosophy and program. She is a motivated student and is anxious to improve her language skills.

An ASL teacher is sought for Mrs. Blume, who explained she would be willing to drive to Indianapolis for instruction, or might form a small group of students for a class in Anderson. Persons interested in this teaching opportunity please contact Visitor and Information Center Director Kathy Smith (317) 924-8418, TTY/Voice, for more information.

LRC Displays Materials

The Learning Resource Center collected many free materials at conference exhibits during Professional Days. These materials will be on display in Alumni Hall Room 225 the week of November 9th.

Some of the items are catalogs; some are books or workbooks. Center Director Judy Cass expressed the hope that staff members would peruse the materials and let the LRC staff know their opinions. After November 13th, these materials will be on the shelves.

Support ISD's Athletics Program!

Athletes of the Week - 10/26/92

Cheerleading:

Coach Sharon Baker applauds the Varsity Cheerleaders who taught 28 Elementary and Middle School girls in a cheer clinic.

Swimming:

Raylene Harris - swam exceptionally well at Sectionals last week. She set personal bests in both the 200m Individual Medley and the 100m Freestyle. Raylene also assisted the relay team in gaining entrance to the consolation finals on Saturday. The 200m Freestyle Relay broke the school record again by more than 3 seconds! Raylene has worked hard throughout the season, dramatically improving her times.

Kudos

The Athletics Office did not forget the wonderful and special volunteers who made the CSSD Volleyball Tournament run without any problems!
